

## Celebrating multidisciplinary research in the NHS: generating evidence for best care

Friday 18 May 2018

Education Centre, First Floor,  
Queen Elizabeth Hospital Birmingham  
Edgbaston B15 2GW

- ✔ Would you like to hear about research led by non-medical staff and multidisciplinary teams?
- ✔ Are you a clinician or a manager who wants to know more about the opportunities available to integrate research in a clinical career?
- ✔ Would you like to engage with thought leaders in the field of clinical academic careers?
- ✔ Would you like to submit your research and present a poster?

If yes to any, or all, of these questions we would like to invite you to the Midlands and East of England 2nd Annual Celebration of evidence for best care.

Please turn over for the event programme.

### Where can I find out more and register my attendance?
